Adriana,

Thank you for championing this for us. I certainly appreciate all the work and time you put into this and while the results may not be what we wanted it is how the process works.

At some point in the future would you be able to help us identify what we can do to strengthen future issues like this as I have several that are on my desk at the moment.

Good morning gentlemen, I presented the case against the two above named individuals to the Atascosa grand jury last Friday.
They voted to no bill the case, meaning of course, that they opted to not indict Pino and Mueller.
Let me know if you have any questions.
