VETERANS OF FOREIGN WARS.

February 19, 2019

B. J. Lawrence
Commander in-Chief
Veterans of Foreign Wars of the U.S.
406 West 34th Street
Kansas City, MO 64111

Chief Lawrence:

On January 4, 2019, I suspended VFW Post 12162, Pleasanton, Texas (*See Enclosure 1*). I also notified all the Post members by letter of the reason for suspension and asking their attendance at the Post meeting on January 14, 2019 (*See Enclosure 2*).

John Shipley, District 20 Commander, was assigned to be my personal representative at the January 14, 2019 Post meeting. I was informed by Commander Shipley that they had voted to keep the Post open and they had agreed to elect new officers specifically Quartermaster and Junior Vice Commander at their next Post meeting on February 11, *2019 (See Enclosure 3).*

At the February 11, 2019 meeting of the Post, the Post members refused to nominate or elect anybody to the open positions and then made a motion to surrender the Post charter that was seconded and approved unanimously by the Post members present *(See Enclosure 4).*

Upon the written recommendation of District 20 Commander Shipley and the Administrative team appointed to oversee the Post, I am recommending that the charter of Pleasanton VFW Post 12162, Pleasanton, Texas be revoked in accordance with Section 212 of the National By-Laws and Manual of Procedure for failure to elect Post officers as well as the unanimous vote of Post members to surrender the charter of Post 12162.

Sincerely,

Ingeborg A. Conley
