John:

After much consideration and discussion in reference to Steven L. Mueller, prior Commander of Post 4853 and current Commander of Post 12161, I believe further investigation is necessary to determine if an Article IX Disciplinary action is warranted.

As such, I hereby direct you to conduct such investigation. Please talk to all involved, as well as your own interactions with Comrade Mueller.

Upon completion, please reply back to me as to your recommendations if such Article IX Disciplinary action is warranted.

Sincerely,

Ingeborg A. Conley
