VETERANS OF FOREIGN WARS.

January 4, 2019

Comrades:

Effective today, I have suspended the operations of the Pleasanton VFW 12162 for the reasons cited in Special Order No. 14 (attached) and assigned an Administrative Committee to supervise and assist VFW Post 12162.

I would urge you to attend the next regular Post meeting scheduled for Monday, January 14, 2019 at 7:00 p.m. at the Post meeting location at the Pleasanton Civic Center located at 115 North Main Street, Pleasanton, Texas 78064.

If a quorum of five (5) members is established, an election will be held to fill all Post Officer vacancies and a discussion will be held on what VFW Post 12162 must do to rectify any problems. If a quorum is not met, I will have no choice but to recommend to the VFW National Commander-in-Chief that the charter of VFW Post 12162 be cancelled in accordance with Section 212 of the National By-Laws and Manual of Procedure.

I have assigned District 20 Commander John Shipley as my personal representative to be at the meeting and ensure that the provisions of the National By-Laws as well as Department and Post By-Laws are followed. I urge you to attend this meeting.

Sincerely,

Ingeborg A. Conley
