...he inception of ...OTC program at Pleasanton High School, students have worked hard to honor our U.S. Veterans in various ways and the Remembrance Ceremony is one that truly showed their appreciation and dedication to our war heroes. Each battalion presented at-attention, responded to their adjunct's call and formed their troops on the field for those in attendance. Once all cadet battalions were in formation, they were each inspected by the Pleasanton ISD Superintendent Dr. Matthew Mann. Jon Lunkwicz, a Gold Legacy Life member of VFW Post 8923, Vietnam War Veteran and member of the Military Order of the Purple Heart Chapter 1513, presented Dr. Mann and PHS Principal Twila Guajardo with a Purple Heart Memorial School plaque for the program's hard work.

Local VFW Commander Stephen Mueller was the guest speaker in attendance at the ceremony to recognize Veteran's Day alongside the JROTC troops. Mueller, also a Jourdanton Alumni, is the "Eagle Post" Commander and founder. He spoke on the "Importance and meaning of Veterans Day" to those in attendance.

The ceremony concluded with the Cadet Battalion executing a Pass and Review in front of the review stand and marching out of the stadium. The battalions saluted the audience who consisted of current and retired US veterans including the VFW Post 12162. Afterward, JROTC cadets were treated to one-on-one discussions with local veterans. They also had a show and tell of the capabilities of the UH-60 Dust-Off helicopter and its crew before it moved on.
