Subject: SUSPENSION

Steve,

The Post suspended for 90 days, Post elections will be held at the next regular meeting,
after that the suspension committee will monitor and train the newly elected Post Officers. The Post will stay under the 90 suspension until the committee recommends

and justifies why they should come off early. Also, the Post cannot call for a special
meeting since they are under suspension (during suspension, the Chairman of the Committee is in charge of the Post not the Post Commander). The committee is in charge of the Post now until elections have been held, the new officers are trained and
all documents to include membership applications, meeting minutes, bank statements and any other documents generated by the Post are turned over to the Administrative Committee.

Sorry, I can't call back. I am working and my phone sometimes doesn't work in the office.

John
