Dear Life Member:

The charter of the Pleasanton Post No. 12162, Pleasanton, Texas, with which you have been affiliated as a Life Member, was cancelled on February 20, 2019. Under the circumstances, you may transfer to another Post.

Under Section 107 of the Nation By-Laws, please contact the Quartermaster of the Post you wish to transfer to and make the necessary arrangement. The Quartermaster of the accepting Post needs to advise National Headquarters by submitting a completed transfer card along with your Life Membership card for replacement with the new Post number.

Until the above information is received, I have temporarily placed your Life Membership in the Department of Texas-at-Large Program, Post 15045. In the event you wish to remain a Member-at-Large, please return the enclosed replacement card form and I will issue a new Life Member card for this Post.

I appreciate you continued support of the VFW through your life membership. Thank you.

Sincerely,

Kenneth E. Romine
Director, Member Services
