Dear Mr. Mueller:

This letter serves as official notice that the Commander-in-Chief is transferring your membership from Post No. 5917 back to Department of Texas Member-at-Large.

Section 908 of the National Bylaws allows the Commander-in-Chief this prerogative for purposes of Article IX actions. Your transfer violates Section 107 of the National Bylaws, due to the fact that disciplinary action has been initiated on you for conduct occurring while you were an officer of VFW Post No. 12162, Pleasanton, Texas (now defunct) by the Department Commander.

By copy of this letter, all parties are notified of the reassignment of your membership to Department of Texas Member-at-Large pending final disposition.

Sincerely,

Kevin C. Jones
Adjutant General
