All,

I find Special Order No. 237 premature, as neither Stephanie Pino nor I were notified of the decision of the Disciplinary panel until receipt of a letter dated May 28, 2019. Certified Letter (70180680000067811111) was received by Steve Mueller on June 1, 2019 at 0957 and certified letter (70180680000067811104) was received by Stephanie Pino on June 3, 2019 at 1056. Until that date neither Steve Mueller nor Stephanie Pino were aware of the final Decision of the Disciplinary panel and thus had no way to know if we wished to appeal the decision or not.

To expedite this process.
I am making it known that the panel decision is being Appealed.
In fact, a certified letter, in compliance with VFW National By-Laws Section 904 has already been mailed to VFW National Headquarters and will be available on June 29, 2010. If you wish to track its transit or confirm its post mark, you can do so by going to the USPS website and using the following tracking number: "EE252785830US".

I request and expect a retraction to Special Order No. 237, dated June 27, 2019. As it is obviously premature.

Have a Great weekend!

Respectfully,

Steve Mueller
