Ms. Pino and Mr. Mueller,

Yes, that will be fine. Mr. Mueller, the request you made on Monday, October 5, 2020, will be considered withdrawn, and I'll treat Ms. Pino's request as if it came from both of you. This will obviate the need to create duplicate case files and reduce the costs for processing this request. Any correspondence will be sent to both of your email addresses. Mr. Mueller, if this is okay with you, please respond to this email and let me know that this is what you would like.

Best,

J. William Richmond

Good Morning Mr Richmond,

Thank you for your response. Steve Mueller came in on Monday and requested the same information that I requested on 1 Oct 2020 so with that being said we do not need 2 copies of the information. Since I was the first to request the info can we go by my date so we can please get it sooner? If you have any questions please feel free to contact me.

I hope you have a very nice day and we are definitely looking forward to receiving this information.

Respectfully,

Stephanie Pino

Ms. Pino,

I've received your request, and will review it Monday when I'm back in the office. I will let you know by Friday, October 16, what parts of the file I will release to you, the time it will take me to prepare a copy, or if I've determined that it should not be released and have requested a decision from the Attorney General's Office. I will also let you know what the bill of cost will be for processing your request.

Sincerely,

J. William Richmond

Good afternoon Mr Richmond,

I am formally requesting any and all (ALL) investigative documents, reports and evidence for Incident Report 1900277.

It is my understanding that no one in the DA office is at liberty to discuss my case with me. However, I did not have an attorney for this case. Please feel free to contact me at your earliest convenience to discuss this or if you need more information so that I may acquire the documentation I am requesting.

Respectfully,

Stephanie Pino
