Good morning Mr. Richmond

Is there anyway that you send the file in a dropbox or does it have to be on the jump drive I do believe that I asked you can't be or can I bring my own jump drive and you put it on there

Have a great day. I am out and about this morning. Let me know and I will come towards Floresville when it's available

Ms. Pino,

I've almost finished compiling your request. There are two documents that are just a signature; they don't contain any other information other than the signature itself. Would you be okay with me removing those two documents from your packet?

Unfortunately we can't take payment over the phone, but you can mail in your money order if that would be easier (just a reminder: the money

order needs to be payable to "81st Judicial District Attorney's Office – Open Records." Once I receive the money order, the USB stick would then be mailed to your address. Otherwise you can deliver the money order and pick up the USB stick from our office.

Best,

J. William Richmond
